

Volunteers invited: 2019

FREE Jay Watch training sessions!

Trainings include an overview of Florida Scrub-jay behavior and field practice with the Scrub-jay mapping and survey protocol. All trainings are held in the mornings and are completed by noon.

- ⇒ Tuesday, May 7 — Hickey's Creek Mitigation Park and Caloosahatchee Regional Park, Lee County
- ⇒ Thursday, May 9 — Shamrock Park, Sarasota County
- ⇒ Saturday, May 11— Duette Preserve, Manatee County
- ⇒ Saturday, May 11 — Lyonia Preserve, Volusia County
- ⇒ Saturday, May 11 — Allen David Broussard Catfish Creek State Park and FFA Leadership Training Center, Polk County
- ⇒ Saturday, May 18 — Cross Florida Greenway, Marion County
- ⇒ Saturday, June 1 — Royce Ranch/FWC, Highlands County
- ⇒ Saturday, June 8 — Savannas Preserve State Park, St. Lucie County

Advanced training will be held for experienced Jay Watchers only on June 13-14 in Ocala National Forest.

We will hold our **Appreciation Event** on Saturday, November 23 at the Archbold Biological Station. All Jay Watchers are invited so make sure to mark your calendars!

For more details or to register please contact: Jacqui Sulek
jsulek@audubon.org.

Participants will learn :

- ◆ About Florida Scrub-jay cooperative breeding behavior
- ◆ Population trends and factors affecting population stability
- ◆ Standardized Jay Watch survey methods employed statewide June 15 —July 15
